### NON-SUMMER PLANNING GUIDE

This guide is for NON-summer mission trips held during the spring, winter, and fall. Our summer mission trips have a different registration process, financial policies, and are far more structured. Check out the summer missions at [www.bigcreekmissions.com/summer!](http://www.bigcreekmissions.com/summer!)

Updated: 04/2025

We've made planning your mission trip simple with these three steps:

## **Register**

Register your team at [www.bigcreekmissions.com/anytime](http://www.bigcreekmissions.com/anytime) to be placed on our calendar

## **Recruit**

Recruit participants of all ages. Even if your trip is primarily for students, skilled adult leaders are essential for a successful mission. We recommend a ratio of 1 adult per 4 students. For teams serving in construction, it's crucial to recruit experienced construction leaders. The more skills you bring, the more we can accomplish together. Without construction leaders, your team's projects may be limited.

## **Remind**

Remind your team members to register individually at [www.bigcreekmissions.com/serve](http://www.bigcreekmissions.com/serve) This eliminates paperwork for you!

- 1) Distribute the registration instructions found at the end of this guide.
- 2) Log in at [www.bigcreekmissions.com/serve](http://www.bigcreekmissions.com/serve) to monitor your team's registrations and register yourself. Since you registered your group, you already have an account.
- 3) No paper forms are needed as your team will register online.

## **Review**

Check out this planning guide.... And get together with your group to review some ideas for ministry. Come up with creative ways you can serve our schools, nursing homes, and local residents.

As your trip date approaches, do the following:

- Email Big Creek Missions Wheelwright to discuss final arrangements for the trip! Update your group numbers, tell us about special skills in your group (like construction or athletics), and let's discuss the possible mission projects you'll be doing on your trip!
- We'll plan almost everything while you're here! Don't worry, we've got this! If you have questions, feel free to ask!
- Ensure all participants are registered online

Our message at Big Creek missions will always be centered on the Gospel truths found in Jesus Christ. With Jesus as our focus and our message, lives will be changed as a result of HIS power working in and through us. As humans, we are capable of doing some really good things and accomplishing some great works. However, it is only when those works are accomplished in His name and His power that those work have eternal value.

### **Therefore, we live out the following at Big Creek Missions:**

***It's about worship - not work.*** Although mission trips are always a time where we work VERY hard and get dirty, Christians are never called to work in order to gain Gods favor. We are called to worship Him as a response to receiving God's mercy and grace through faith. One of the ways we worship Him is by surrendering to a life of missions. Missions is not an outlet so we can feel better about ourselves by accomplishing

some task or goal, nor is it an opportunity for us to brag on what we “did” with our own hands. We worship Jesus by serving him, and by serving him lives are changed.

***It's about surrender - not self-righteousness.*** Big Creek doesn't exist to glorify Big Creek or the names of any of our staff. We give Glory to JESUS for enabling and empowering us and accomplishing His work through our lives. Often, Christians have a “holier-than-thou” attitude when serving on missions. They have this subtle mindset that invites others to “look at me” and “see what I'm doing” and “give me a pat on the back.” We do not exist to lift up any man or ministry, but the name of Jesus. When serving on mission, we must adopt the attitude of a surrendered servant.

***It's about people - not projects and programs.*** We must remember that our purpose on earth is not to build physical buildings. The projects we do, the homes we renovate, and the programs we offer are not our priority. The PEOPLE we serve are our priority. We must never lose sight of why we are here – to share with those people the life-changing message of Jesus. The projects and programs are only TOOLS to share His Gospel.

**Doctrine:** Although we do have a certain set of beliefs, we do respect the differences between denominations and churches. We will use current methods to teach timeless truths so we may evangelize the lost and disciple the believer. Please read our statement of beliefs at: [www.bigcreekmissions.com](http://www.bigcreekmissions.com). We ask groups to teach and support the beliefs of OUR mission center while serving in our community.

Big Creek Missions exists to glorify Christ by serving the residents of Southeast Kentucky. We accomplish this by connecting volunteer groups with needs in our community.

## ***What does Big Creek Missions do?***

Big Creek Missions is a volunteer “hub.” We are not a camp, nor are we a church. We serve our neighbors by creating partnerships that benefit the community. We serve alongside local churches to assist them in meeting the needs of their community. We partner with local agencies to locate and respond to needs. When you sign up to serve with Big Creek, we will work to place you in an area of ministry that will not only challenge your group but will also assist the residents or ministry you are serving. We work in areas up to 30 miles from our mission center.

## ***What will our group be doing?***

You can pick from the following ministries:

**Construction:** Your group can help a local homeowner with housing needs. We have homes in need of wheelchair ramps, porches, roofs, floors, windows, foundations, electrical and plumbing help. You’ll want to provide skilled workers to lead your team AND good workers to get the projects completed! Once we know the skills of your team, we will be able to assign your team a project. Our ultimate goal with the construction ministry is to share the Gospel by sharing Christ and serving as He would. Most of our construction projects are: subfloor replacements, roofing, and porches/ramps

**Community:** We partner with local churches and other ministries to offer services as needed. We partner with churches offering clothing, food, and

hygiene kits to residents. We deliver food baskets, visit nursing homes, we work with the schools, service organizations, and anyone needing a loving visit from Christ-followers. Your creativity prior to the trip can help us connect with local organizations!

**In-House:** Groups can choose to stay and serve at the mission center by helping maintain and upgrade the facilities. We always have projects needing completion. We need painters, electricians, plumbers, and cleaners!

## *How We Operate*

Big Creek's main campus is led by its founder and director, Kevin Rogers. As a 501c3 Non-profit, we operate under the leadership of a 5 member board of directors. Staff will be working alongside you to provide hospitality and great ministry opportunities to your group.

## *How We are Funded*

We are funded by the donations you give for this mission trip. That's it. The more our groups give, the more we can do. The less you give, the less we can do.

Although we do occasionally receive some grants for specific purposes, we do not receive any regular funding from any specific denomination, agency, ministry, or church.

## *Every Day is Different at Big Creek!*

While it's challenging to predict exactly what your week will look like, we'll do our best to give you an idea.

Each experience at Big Creek is unique. Some weeks, we have many groups on campus; other times, it's just a few people. Regardless, our staff is committed to maintaining an upbeat, Christ honoring atmosphere. We strive for excellence in our facilities so that our teams can reflect the excellence of Christ in the community.

- Morning:

We kick off each day with a joyful—and random—musical wake-up call! After breakfast, we gather for a devotion led by the director or a staff member.

- Serving:

After devotion, we head out to serve. Teams are divided into specific work projects for the day. You'll travel to each work site in your vehicles. Since projects can vary from day to day, group leaders will receive updates the night before. Flexibility is key! Team members bring their lunches with them and serve throughout the day. Opportunities include construction projects, community service, and sometimes children's ministry. With daily changes in our mission work, you'll likely get to experience different aspects of our ministry.

- Evening:

After returning to the mission, we enjoy dinner together and prepare for the next day. Occasionally, we tackle some cleaning or maintenance projects as a group. Group leaders will meet to discuss the next day's plans, and afterwards your team can meet together to share devotionals and spend time playing and fellowshiping together.

\*\* About Worship: Groups are encouraged to plan some type of evening share time or worship. . Whether it is singing, Bible Study, or just a simple, straightforward devotion, it is important that your group starts and ends each day with a proper focus. Nothing unites a group more than worshipping and sharing the Word of God together.

The staff will be willing to assist you with morning devotionals or messages as requested.

### *Take Ownership for Your Mission Trip!*

For example, if we contact schools and simply offer “8 people to come and help,” they may decline. However, if we offer something more specific:

- “8 people who have put together a science lab presentation”
- “A group that can do STEM activities”
- “An artist who would like to offer an art workshop”
- “Retired teachers who can assist with tutoring or crafts”
- “A teacher appreciation day with refreshments”

**These types of offerings help us build strong connections with local schools.**

Similarly, nursing homes and adult care centers appreciate specific ideas, such as:

- “We’d like to do a talent show or sing with the residents”
- “We’d like to offer a carnival for the residents”
- “We’d like to host an ice cream party”

- “We’d like to host a craft time”
- “We’d like to offer a staff appreciation day”

Bring your best ideas, and we’ll present them to our local partners. They’ll be excited to have you come and share!

### *Additional Details to Consider:*

To allow our staff at least a morning of worship and time with their family, we typically do not serve over a Sunday. Your group is welcome to “check-in” Sunday evenings, but no ministry will be available. Our kitchen is closed for Sunday breakfast and lunch. We typically do offer Sunday night dinner, but if your team is going to arrive after 6:30 pm, please plan to eat prior to arrival, as our kitchen staff will not be available. If your arrival is delayed, please keep us updated regarding your arrival time.

We do recommend our groups enjoy a night out in the community to support our local businesses. Typically, Wednesday evenings are our nights out – however, any night can work for us!

When multiple groups are on site, it helps our staff if all groups to enjoy the same night out! We ask our groups to assist and communicate (throughout the week) when participants have food allergies.

We do recommend that participants pack substitute items to supplement for their food allergies. We do not always have access to allergy-friendly foods due to our location. See [www.bigcreekmissions.com/serve](http://www.bigcreekmissions.com/serve) for a menu and allergy information.

If your team does choose to enjoy a night out in the community, here are some restaurants your team could support! Ask our staff for recommendations.

We have a great facility and we will do our best to help you feel right at home. In fact, it is your home for the week. It's our home too!

**Other Groups:** While staying at Big Creek, your group may not be the only one staying at our facility. When we're at Big Creek, we act like one big family! We share the same common areas, dining times, shower rooms, and dorms.

**Kitchen Preparation and Cleanup:** Typically, all volunteers pitch in to assist with cleanup throughout the facility.

**Maintenance / Cleaning:** Big Creek Missions has no maintenance or custodial staff. During your week of missions, your group will assist with all cleaning and maintenance of the facilities. Serving each other is part of the mission trip!

**Lights Out:** In cooperation with group leaders, the center director will set a "lights out" time for all groups. Group leaders are expected to monitor their own groups. Typically, lights out is by 11 pm.

**Menu Needs / Allergies:** If a group member has medical dietary restrictions, we can attempt to accommodate. However, because we are in an area with limited food availability, we may not be able to accommodate all restrictions. We encourage group members with dietary restrictions to view our menu and bring substitute items as needed. Our menu is at [www.bigcreekmissions.com/serve](http://www.bigcreekmissions.com/serve)

Telephone / Email / Internet: Group leader and adults will have use of telephone and Wi-Fi as needed. We have pretty good internet and free long-distance calling. Children / students may use the phones to call home to check in with their parents as needed!

Cell Coverage: Our cell coverage in the area varies depending on the carrier.

## *The Facility*

In 2017, Big Creek Mission officially opened it's second location in Floyd County, KY. The facility is housed within two buildings. The first, the former Wheelwright Baptist Church that has been renovated to serve the needs of the mission center. The second building houses our resource center, staff accommodations, community soup kitchen, and storage. We are constantly updating the facility to improve efficiency and effectiveness!

## **Outdoors**

We have limited outdoor space. HOWEVER, we are within walking distance of several parks, basketball courts, and playgrounds. We encourage you to take a walk and experience Wheelwright.

## **Sleeping Areas**

We currently have two 24 person dorms, as well as, three family or small group rooms that sleep 4-8. We do our best to keep them refreshed and clean. We have brand new mattresses throughout.

Males / Females: We provide separate male and female sleeping rooms. Please stay out of the room of opposite sex except for designated group meeting times.

## **Food**

You're more than welcome to bring all the snacks and food you'd like! Just help us keep the dorms clean by keeping all food downstairs in the designated food storage area.

## **Worship Center**

The worship center is housed in the original church's sanctuary. It's air conditioned/heated, clean, quiet, and comfortable. We encourage the use of it for personal prayer time or small group discussion.

## **Restrooms / Showers**

We have them. They are adequate and clean. What more can you ask?

## **Washer / Dryer**

None on site.

## **Dining Room**

We have two dining areas that seat approximately 65. Our dining area is also utilized as common area when breakfast or dinner is not being served. We have a large number of picnic tables and outside eating spaces.

## **Game Room**

We provide a nice size game room for your group's enjoyment stocked with a selection of cards and board games. The game room is also utilized for group meeting time.

## *How Much Does It Cost?*

Although we don't have set "fee" for this mission, we do ask our groups to donate in accordance with what you receive for the mission! Many other organizations would charge \$50,\$75, or even \$100 per day for what we offer.

How can we make a donation?

You can bring a check with you – or better yet – make an ACH (check) donation at [www.bigcreekmissions.com/give](http://www.bigcreekmissions.com/give) - so you don't have to worry about bringing the check!

Our Food Costs - \$10 per person, per day

Typically, it's easier for us to have the food available for your group, especially if multiple groups are on site. We have to eat the same meals you do – so we do our best to provide GOOD food!

Our Lodging & Staffing Costs - \$15 per person, per day

Our facility consists of 14,000 square feet of usable space. As you can imagine, the utilities alone can be extremely expensive. During periods of high use, our electric bill alone can cost over \$3,000!

Your donation will help offset the costs of electric, water, phone, propane, facility supplies, and liability insurance.

It is impossible to put a "price tag" on staying at Big Creek – but a lodging / staffing donation of \$12 or more per person, per day, would assist us greatly. Your donations are our primary source of funding!

Construction Costs – variable - \$15 per person per day

Supplies for one ramp may cost \$1500. One roof replacement may cost us \$2500. Please consider this as you plan your donation. We will work with you to find a project suitable for the skills of your group.

- We ask that you provide construction coordinators and tools for projects, we will have materials ready for you at the ministry center.
- We will cover the cost for materials for our facility renovations, but gladly accept donations.

### **Bottom Line**

Our Daily Food Costs: \$10.00 per person

Our Daily Staff / Lodging Costs: \$15.00 per person

Our Daily Average Construction Costs: \$15.00 per person

On average, a donation of \$40 per person per day would be extremely helpful towards covering the costs of your trip.

(Our construction “daily” cost estimation is based on about 1/3 of your group participating in construction: however, all members would contribute to this construction project)

### **Vehicles**

While you're at Big Creek, you will utilize your own vehicles to transport your team! Plan to bring vehicles that can allow dividing your group into teams of 8-10 to work. Your vehicles will determine your team sizes!

What type vehicles should we bring? We recommend bringing smaller vehicles to transport your team. 12-15 passenger vans are good – as long as the drivers are comfortable! Minivans are good! Cars are good!

Trucks are GREAT for construction! This helps you transport your materials to site. We don't recommend large buses, as they're hard to drive around here.
